Dear Pat:

We appreciate your early comments on our Draft Ecosystem Restoration Program Plan (ERPP). By commenting prior to the October 14, 1997 deadline, you allow us more time to evaluate your suggestions and assess your comments.

Because we anticipate a large number of comments we believe it will be more efficient for us to prepare a single document in response. We plan to circulate our response document in the fall after we have incorporated all comments into a revised ERPP and the Draft programmatic EIR/EIS for the CALFED Bay-Delta Program.

Thank you for your continuing interest and contribution.

Sincerely,

Dick Daniel  
Assistant Director
